Courses

North Wellington SeniorNet offers a number of computer courses to meet the needs of members.

Course costs vary but will generally be \$10 per session for programmed courses, and \$10 per hour for one on one tutoring or home tutoring. Details of programmed courses will be emailed to members and will be available on the Johnsonville Community Centre website.

Morning sessions are held between 10am – 12 noon.

Afternoon sessions are held between 1.00 – 3.00pm.

Tick if required

- ☐ Basic Computer Skills: It is recommended that the Basic Computing course is completed and you have an elementary understanding of the workings of the computer before venturing onto one of the more advanced courses.
- ☐ Manage your emails: Covers sending, receiving and deleting emails, using drafts and maintaining contacts.
- ☐ Word skills: Learn the basics to improve your letter writing.
- ☐ TradeMe: Buying and Selling on Trade Me – useful knowledge.
- ☐ Skype: Friends and relatives overseas? See them as well as talk to them.
- ☐ Exploring I Pads or Tablets: Find out some of the wonderful things you can do.
- ☐ Picasa: Download this free programme, improve your photos, know where to find them.

Do you have any other topics you would like added to the above list? If yes specify below:

.....

All our tutors are volunteers and members of the club. If you have some knowledge of computer applications and programmes and are willing to share your knowledge by becoming a volunteer tutor please let us know.

We look forward to your participation in the club
