

Schedule for June 2017

The North Wellington SeniorNet is based at the Johnsonville Community Centre. The Trust Room has been booked for Tuesday afternoons, Wednesdays and Friday mornings and iPad lessons will be held on Tuesday mornings in Room 2

Note1: An Open Session will be held on Friday, 9 June, 10am-12 Noon. If you have a series of questions or a complicated problem you will need to book a time with a tutor. It is an opportunity to use S/net computers/tablets. Feel free to bring your own portable devices if you have questions about their use.

Note2: Course bookings close three full working days before course starting date - see Course Closes column for date.

Note3: If any SeniorNet member would like to become a Helper with a course with a view to becoming a tutor if they choose to, please ring Sandra on 478 6827 or email to sgaelic@gmail.com.

Faststone	A programme for organising your photos (Picassa has ceased working)		Contact Bill for a date/time		1	\$10	Bill 971 9875

Note for New SeniorNet members

If you are new to SeniorNet and unfamiliar with your home computer, you may like to start with the Basic Skills classes listed above. Once you are comfortable with the basic skills there is a wide range of other courses you may wish to take.

Course Requirements

- You must be a paid up member of North Wellington SeniorNet to take part in a North Wellington SeniorNet course.
- You must contact the tutor for the course you wish to take part in. This discussion will ensure that a place is available, that you are clear on the content of the course and that the course is appropriate for you.
- You must pay the total cost of the course the day of the first lesson or before the course commences.
- For any particular course it may be useful for you to bring your own computer, Ipad, tablet or smartphone. Your tutor will advise you on this.

Other Matters

As part of the drive to make the introduction to computers, iPads and tablets as painless as possible we offer the opportunity to work one-on-one with a tutor at the learning centre or, under certain circumstances, at the student's home.

We offer a range of courses, the content of which is based on feed-back from students and the other SeniorNet learning centres. For us to maintain the relevance of our courses we need you to let us know if there are subjects that you would like to undertake but which are not currently offered. We don't promise to meet all requests but we probably know who can. Similarly, if we have chosen the day for the course that you want to take and that day conflicts with another activity, let us know – we are infinitely flexible.

Kind regards
Sandra Gaelic (Phone 478 6827 or email sgaelic@gmail.com)
